## Education

### **The Chinese University of Hong Kong – Doctor of Philosophy in Psychology, June 2027**

- Dissertation Advisor: Helene H. Fung & Hanna Lu
- Fully Funded

### **King's College London – Visiting PhD student, February 2026**

- Advisor: Dag Aarsland
- PhD International Mobility for Partnerships and Collaborations Award

### **Tianjin University – Master of Applied psychology, January 2022**

- Dissertation Advisor: Bin Yu
- Dissertation Project: *Social isolation, loneliness, and cognitive function among Chinese older adults* (**Outstanding thesis of Tianjin University**)

### **Jilin University – Bachelor of Engineering**

- Major: Material Forming and Control Engineering

## Research experience

### **Shenzhen Bay Laboratory – Research Assistant, June 2023**

- Supervisor: Tengfei Guo
- Project: the early detection of Alzheimer's Disease
- Data collection: collecting cognition data (n=410), blood samples (n=337), stool samples (n=230), and neuroimaging data (n=220) with other members of the Guo Lab
- Clinical Neuro-assessments: neuropsychological assessments, follow-up contact (n=50)
- Neuroimaging: assisting in scanning, neuroimage quality control, data copy, protocol correction, and analysis (n=120)
- Biomarkers: assisting in taking blood and cerebrospinal fluid samples; completing plasma, white blood cell separation; sample storage, and plasma protein quantitative analysis, etc. (n=130)

## Publications

### Journal Articles (first author)

- Guo, L.,** Zhou, Y., Lu, H., & Fung, H. H. (2025). The moderating effect of cognitive reserve on the association between neuroimaging biomarkers and cognition: A systematic review. *Neurobiology of Aging*, 156, 10-29. (Presented at BNA 2025)
- Guo, L.,** An, L., Luo, F., & Yu, B. (2020). Social isolation, loneliness and functional disability in Chinese older women and men: a longitudinal study. *Age and Ageing*, 50(4), 1222-1228. (Newspaper Mentions: Life Times)
- Guo, L.#,** Yang, L.#, Rao, L., Luo, F., Gao, N., Jia, X., & Yu, B. (2022). Too depressed to breathe: the longitudinal association between depressive symptoms and lung function among general middle-aged and older adults. *Archives of Gerontology and Geriatrics*, 104797.
- Guo, L.,** Luo, F., Gao, N., & Yu, B. (2021). Social isolation and cognitive decline among older adults with depressive symptoms: prospective findings from the China Health and Retirement Longitudinal Study. *Archives of Gerontology and Geriatrics*, 104390.
- Guo, L.,** An, L., Wang, N., Ni, T., Wang, X., Zhou, Y., . . . Yu, B. (2024). Prospective association between social isolation, loneliness and lung function among Chinese middle-aged and older adults. *Australasian Journal on Ageing*, 43(4), 675-682.
